### ECONOMIC RESOURCES DIVISION

Significant Substantive Items, Week of 21 January 1980

1. [ ] of OGCR East Asia Branch contacted [ ] to obtain assistance in their high priority Afghanistan/Pakistan area research projects. [ ] is one of a number of analysts preparing a reference map of the region to be published in the next few weeks. RSB will assist, when necessary, by identifying specific installations and analyzing transportation routes. We do not anticipate that this will be a large effort. [ ]

2. We have been informed by OER that a briefing on Soviet gold production has been requested by [ ]. [ ] Details concerning the time, place, and scope of the briefing have not yet been arranged. OIA will probably participate. [ ]
